FP 55 B (NI) 4S
FOR FLUSH INSTALLATION IN CONCRETE FLOORS

MIGUTEC
JOINT COVERS FOR EXPANSION JOINTS

1. **Flexible high quality elastomeric insert**
   Hard wearing, temperature resistant (-30°C to +120°C), replaceable

2. **Designed for where additional layers of concrete are being cast to strengthen existing slabs**
   Slideable anchor rods for adjustable welding to the reinforcement

3. **Multi directional movement**

4. **High load capacity due to sturdy construction**
   Solid aluminium brackets, also available with stainless steel covers

5. **Quick and easy installation**
   Positive connection of production lengths by means of connection pieces
